BILZEN - MAASTRICHT ON THE WAY TO THE MEUSE VALLEY

54,7 km Easy 4h45 + visits

From Rentmeesterij you drive to Maastricht and the Meuse valley. Maastricht is an important city in the province of Limburg in the Netherlands, which developed from a Roman settlement. It is known for its Mosaic and contemporary architecture but also for its relaxed atmosphere. After visiting the city, you will travel along the Meuse River to Visé where you will have the opportunity to experience a beautiful crossing of the river and the border by means of the Bac Cramignon. On the other bank is Eijsden in the Netherlands.
